

SACRED MANDALA

Host Your Retreat In Bali

UBUD • BALI

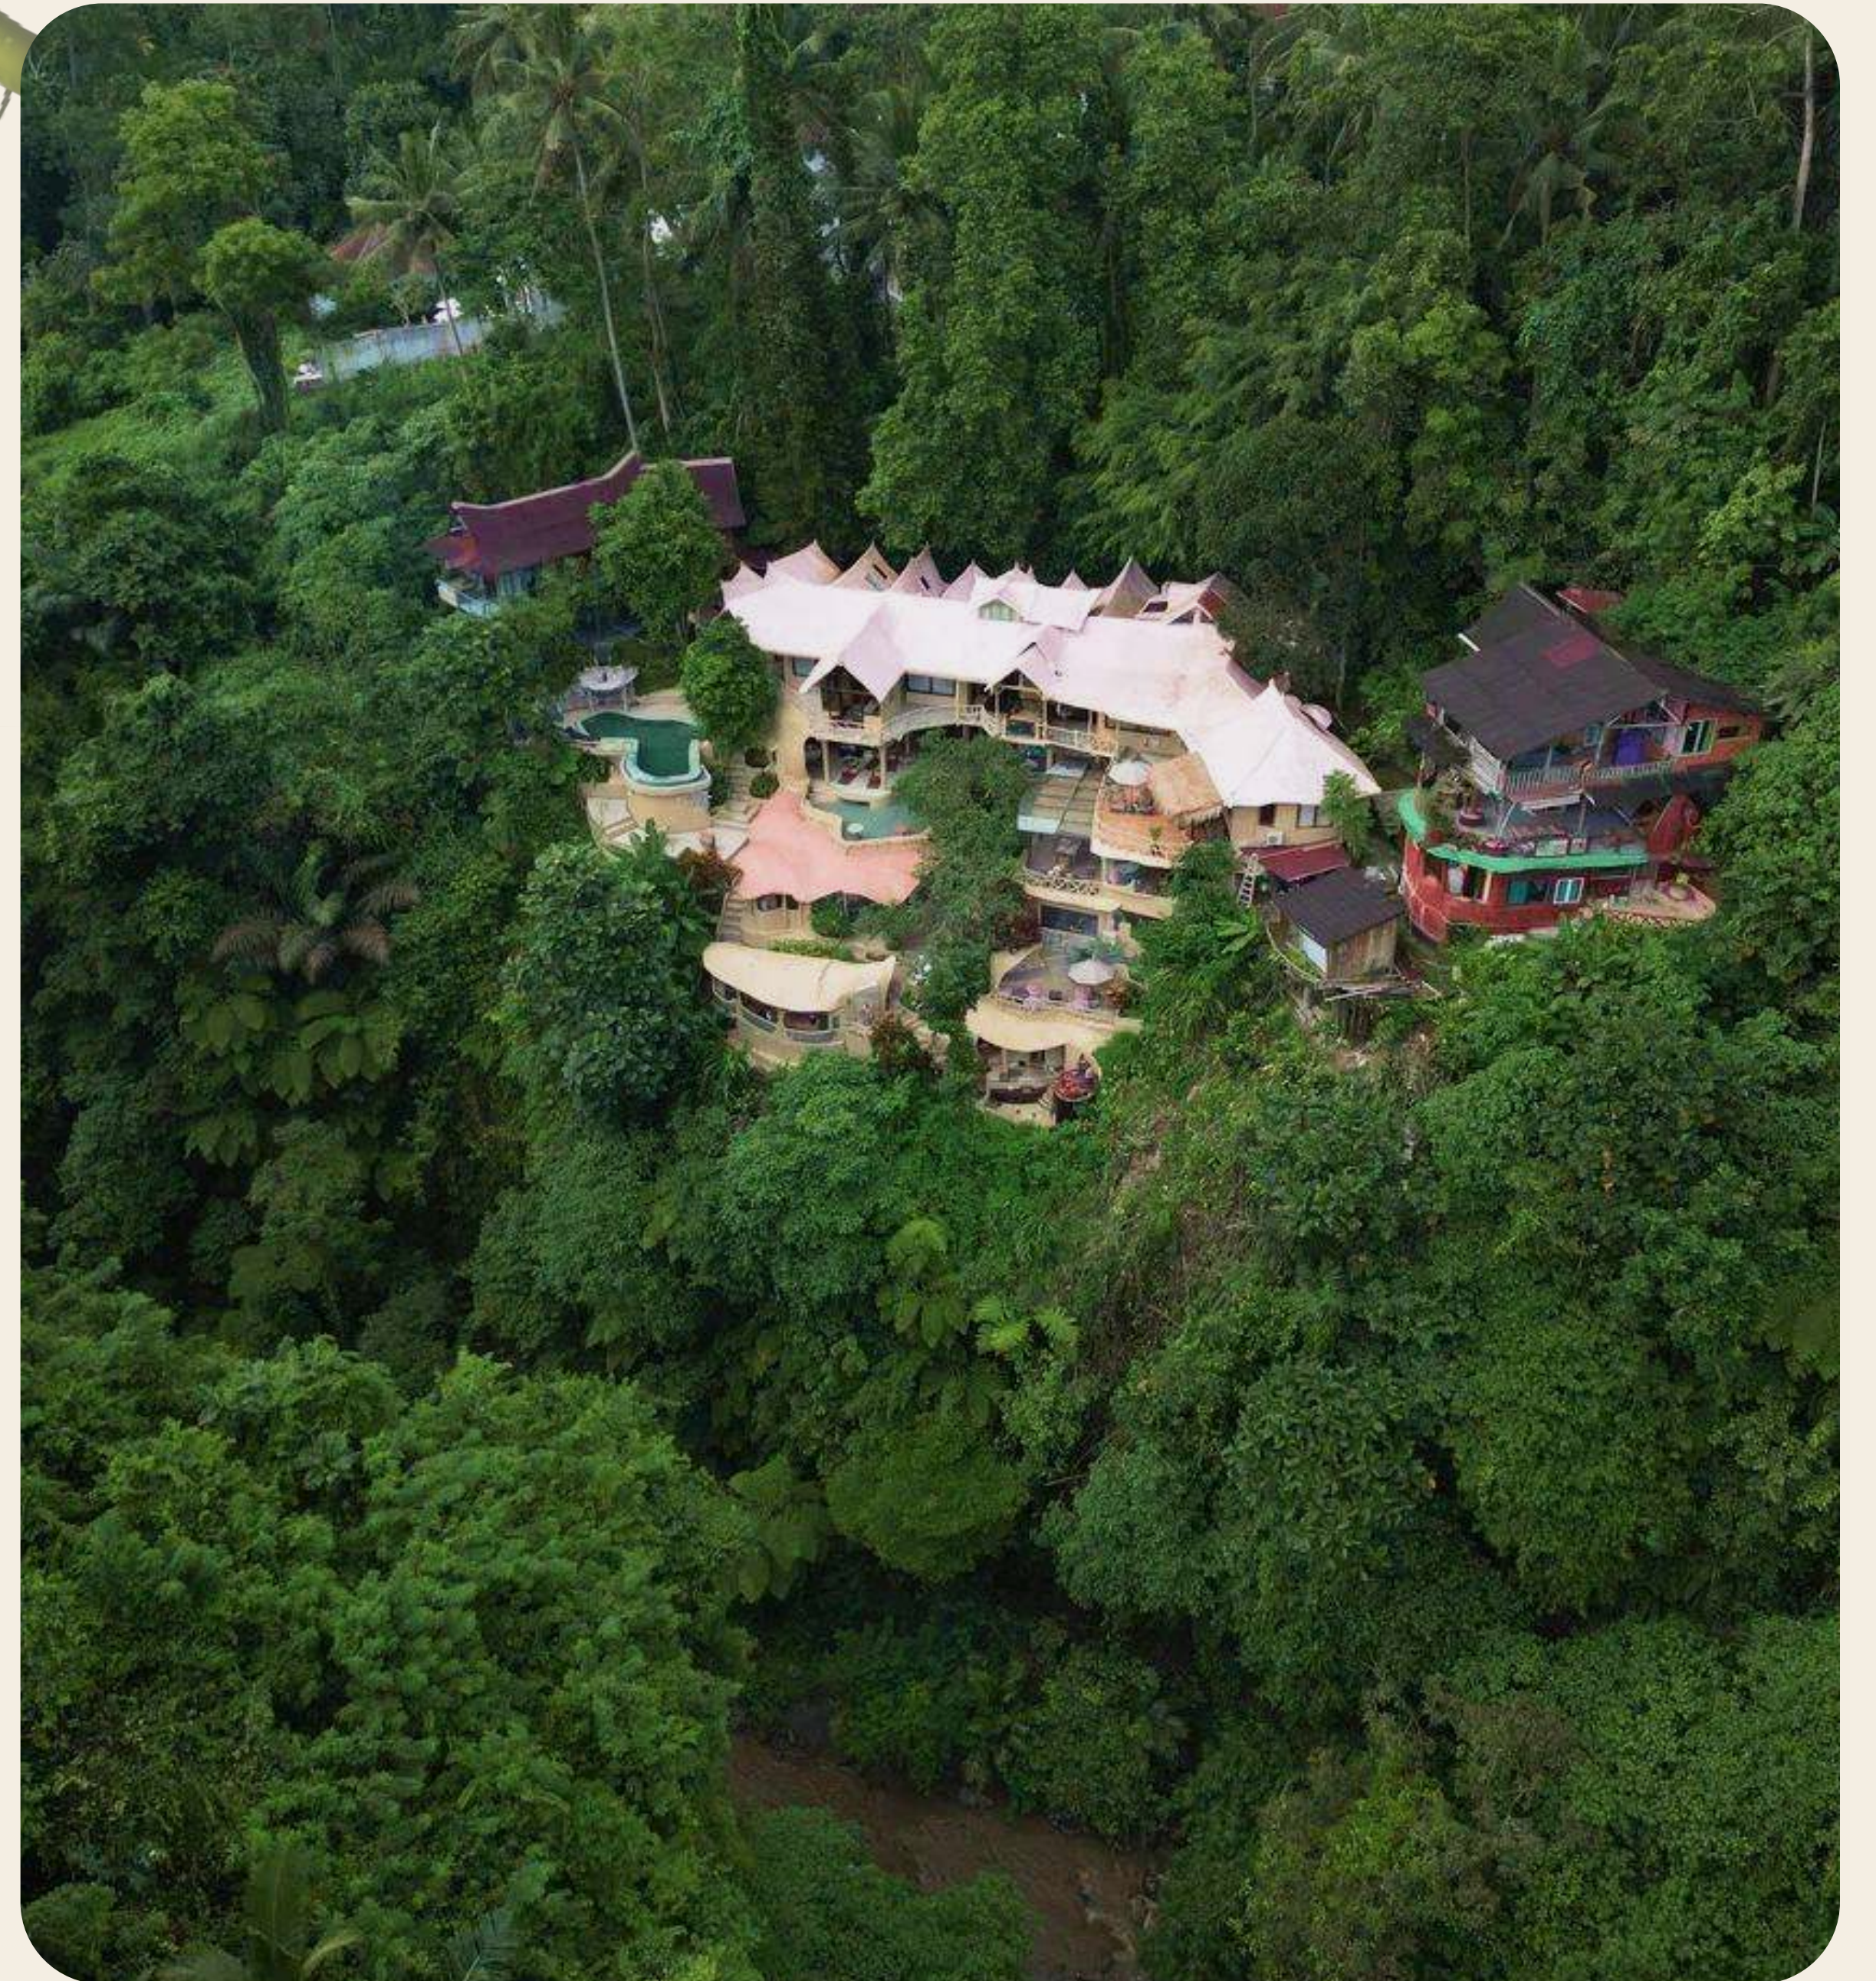

A sanctuary for depth and transformation

WELCOME TO SACRED MANDALA

Sacred Mandala is a boutique retreat sanctuary located in the jungle of Bali.

More than just a venue, it is an environment designed to support transformation, restoration, and deep inner work.

Nature, architecture, and silence come together to create a space where people naturally slow down and reconnect.

why retreat leaders choose sacred mandala

Sacred Mandala is not chosen only for its location. It is chosen for the effect it creates.

Intimate Atmosphere

A calm, personal space that never feels overwhelming.

Nervous System Relief

Architecture designed to naturally slow down and relax the body.

Private Group Energy

Silence and seclusion help maintain focus and connection.

Beauty With Purpose

Aesthetic, functional spaces that already hold the right atmosphere.

SACRED MANDALA FOR RETREAT EXPERIENCE

If your work is about guiding people through inner processes, this space will amplify it.

RETREAT CAPACITY & FORMAT

- 8 unique rooms;
- comfortable capacity: 10–14 guests;
- maximum capacity: up to 16–20 guests depending on format;
- boutique, intimate structure that supports depth and group cohesion;

this format is ideal for retreats where quality of experience matters more than scale.

ACCOMMODATION OVERVIEW

Sacred Mandala offers 8 uniquely designed rooms.

Each room at Sacred Mandala is designed as an individual space with its own character

guests do not feel like they are in a standard hotel.
they feel held within a space.

ROOMS TYPE

Every room is designed to feel calm, grounded, and restorative:

- unique design
- natural materials
- soft lighting
- jungle views
- calm and private atmosphere
- air conditioning

inside sacred mandala retreat center

FOOD & NOURISHMENT

Sacred Mandala features its own healthy café, which can be integrated into your retreat.

We offer:

- balanced, nourishing
- vegetarian-friendly options
- light, clean food that supports clarity and reset
- flexible retreat meal plans

food here is part of the experience, not just a service

RETREAT EXPERIENCE

What happens to your group here:

- participants relax faster
- mental noise decreases
- attention deepens
- processes unfold more naturally
- the group becomes more cohesive

sacred mandala works as a co-facilitator of your retreat

FOR YOU AS A HOST

We understand the reality of organizing a retreat, but **Sacred Mandala gives you a strong advantage** as a facilitator:

- you don't have to hold the space alone
- the environment supports your work
- aesthetics elevate your brand and offering
- logistics are simple and smooth
- your retreat feels more structured and high-quality

you focus on people.

the space supports everything else.

CURATED EXPERIENCES & FACILITATION SUPPORT

Sacred Mandala is not only a venue — it also offers the possibility to integrate curated healing and ceremonial experiences into your retreat.

These practices are designed to deepen participants' journey and create a more complete and impactful experience.

EXPERIENCES WE CAN INTEGRATE

- Sound Healing

Deep relaxation and nervous system reset

- Energy Healing & Chakra Balancing

Restoring balance and inner alignment

- Craniosacral Therapy

Gentle bodywork for deep release

- Agni Hotra Ceremony

Fire ritual for cleansing and grounding

- Melukat Water Ceremony

Purification, release, and renewal

HOW WE INTEGRATE OUR SERVICES

These practices can be:

- integrated into your retreat program
- offered as optional add-on sessions
- customized to match your group and structure

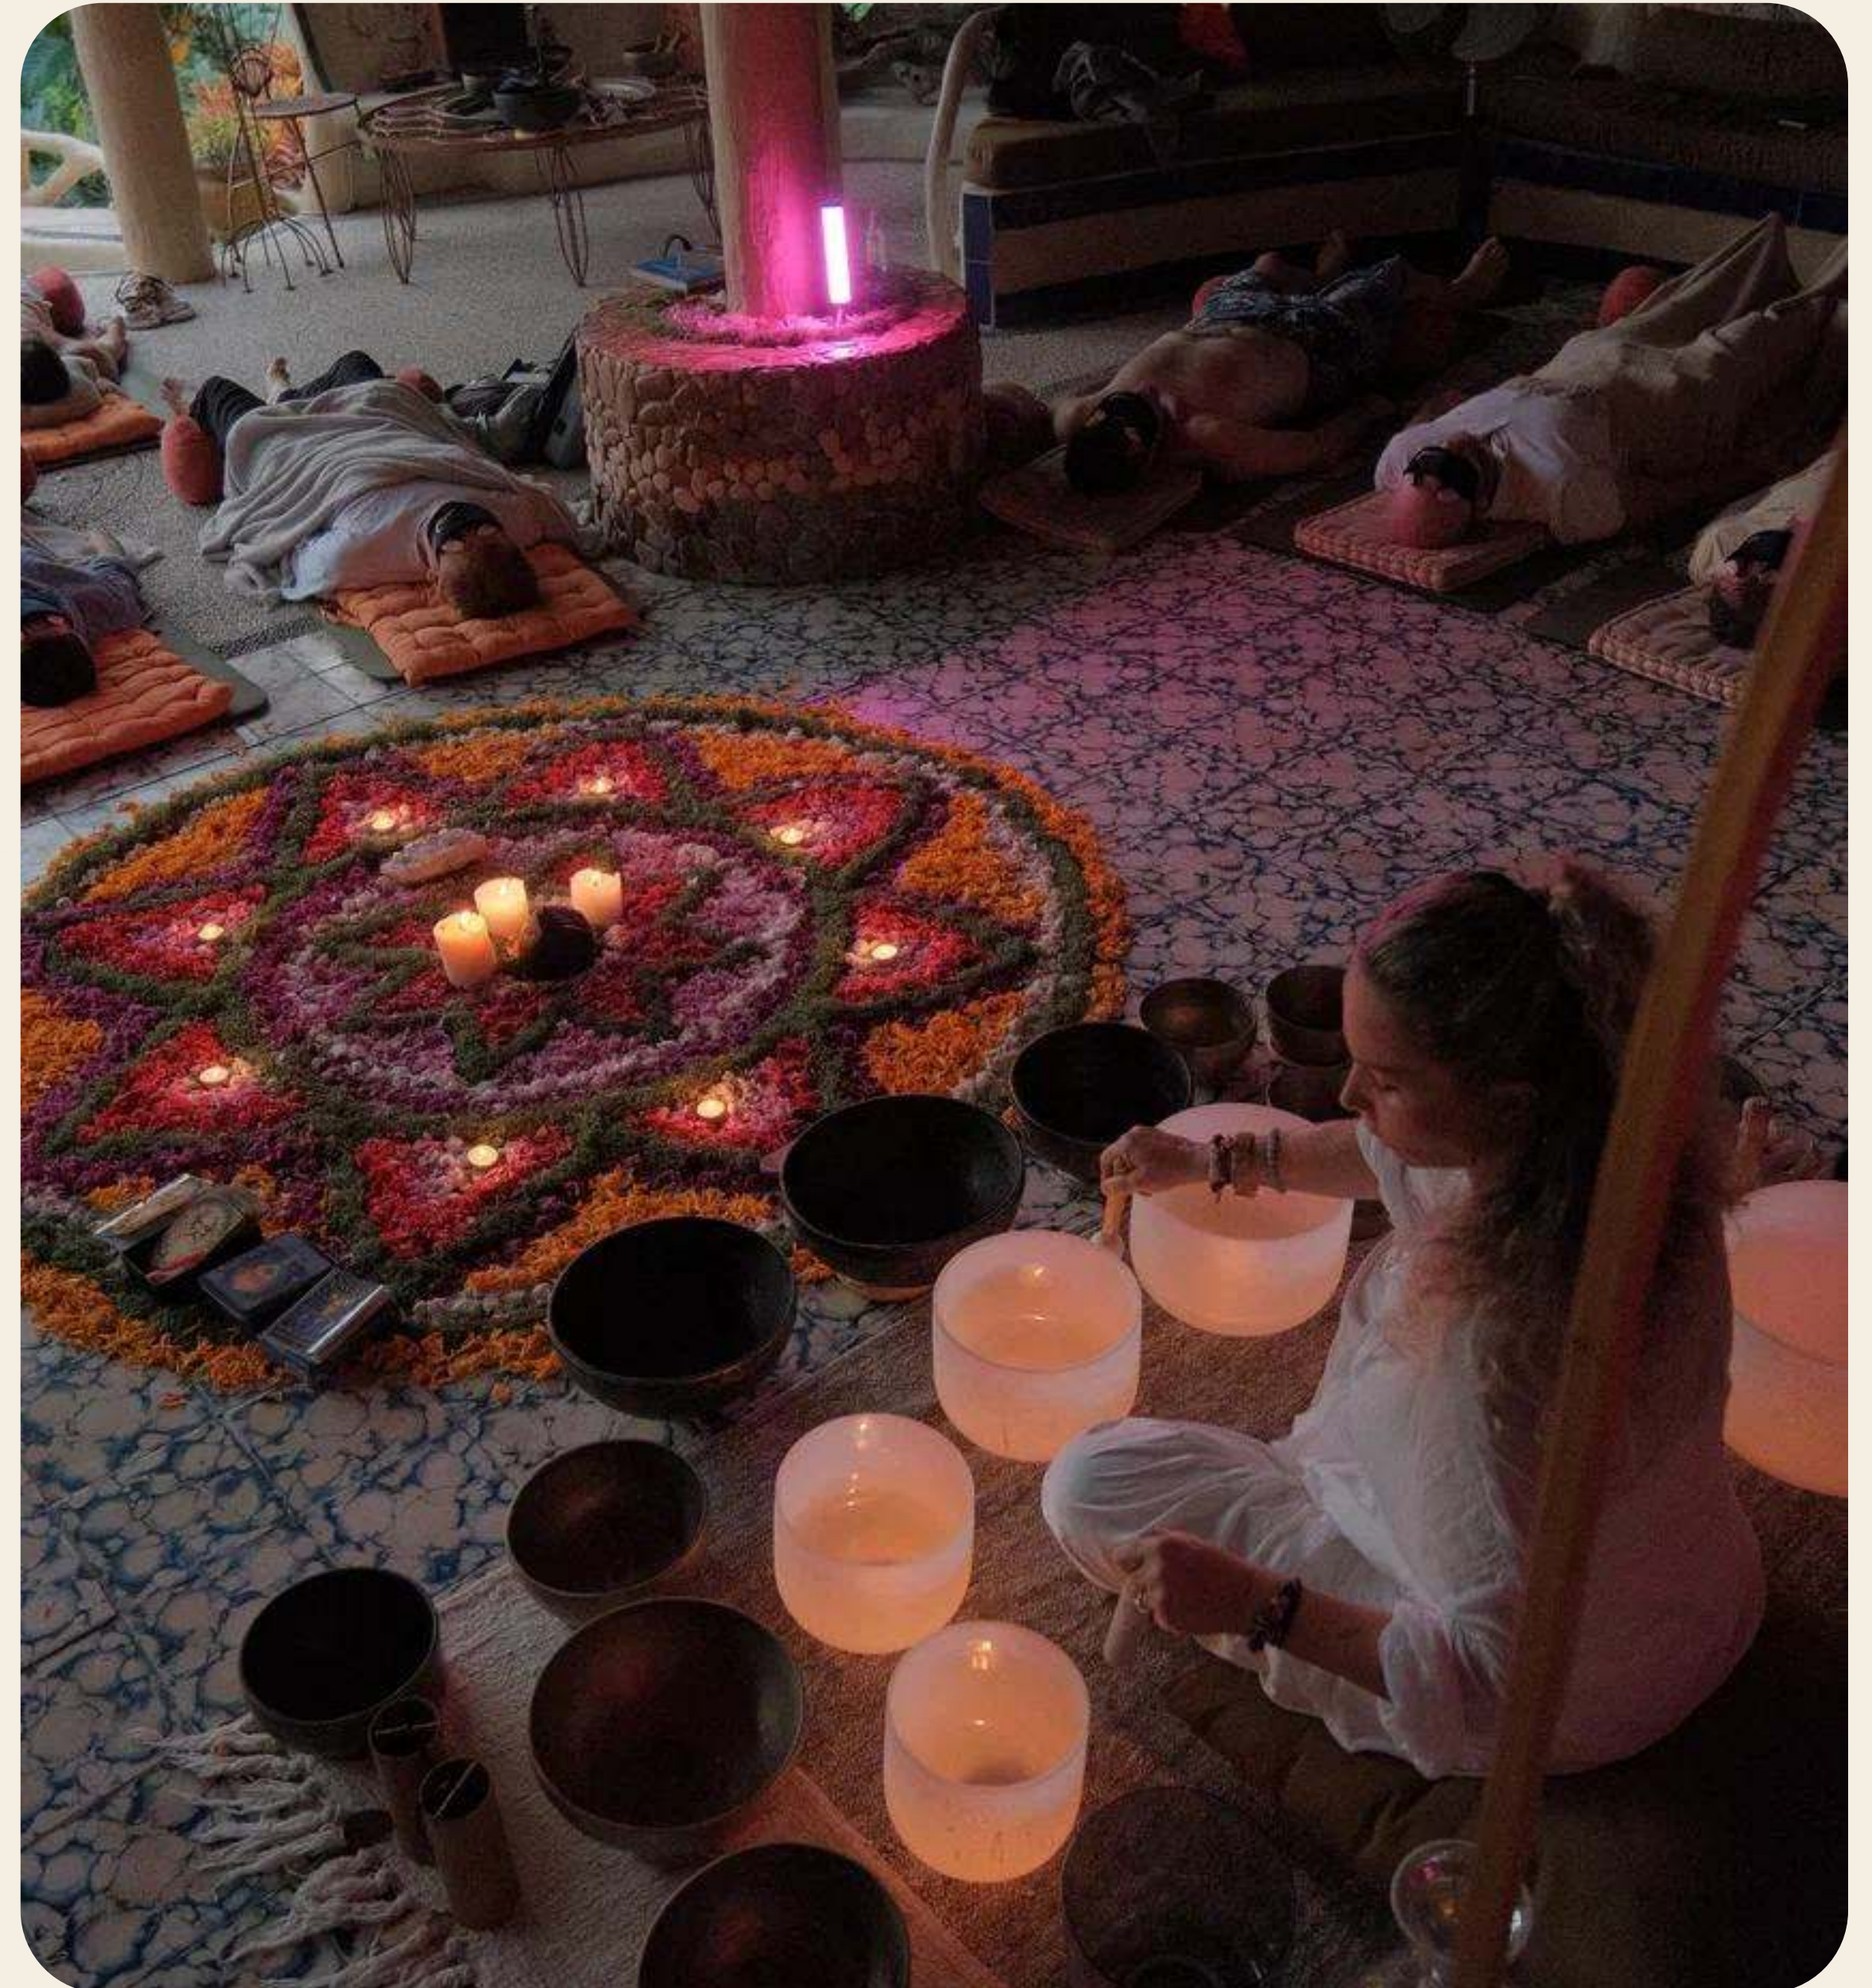

we support seamless integration so that these experiences enhance your retreat rather than overload it.

THE VALUE IT BRINGS TO YOUR RETREAT

Adding these practices allows you to:

- deepen participant transformation
- create a more holistic experience
- elevate the perceived value of your retreat
- offer something unique and memorable
- increase the overall value of your program
